# Raise Your SAT / PSAT Scores Summer 2012

Summer Classes meet Mondays—Fridays (3 weeks).

Classes resume in the fall for 5 Saturdays: Sept. 8 - Oct. 6.

Session 1: June 25—July 13      9:00 –12:00 or 1:00—4:00

Session 2: July 16—August 3      9:00 –12:00 or 1:00—4:00

Tuition: \$400

## Course Materials

Students will receive and work through an extensive notebook of math, writing, and vocabulary materials, as well as *The Official Study Guide: For the New SAT* by the College Board. We will also work through 5 complete College Board practice exams. Summer classes are 3 weeks, followed by 5 Saturdays in September—October (Sept. 8—Oct. 6).

Our goal is to help students understand not only the content of the material on the SAT, but also the manner in which the questions are phrased that makes answering them so difficult.

For the past 26 years, Sharon Serrago has been successful in helping students raise their SAT/PSAT scores. Her materials have been used by hundreds of schools across the nation. She currently runs programs in both public and private schools, as well as at her Richardson location.

**“Raising SAT/PSAT scores is a difficult task, but I have helped hundreds of students raise their scores to the levels required for admission to prestigious universities and to the levels that qualify for scholarship awards. I look forward to helping you meet your goals and perhaps receive the coveted title of National Merit Scholar.” Sharon Serrago**
